

SCHOHARIE COUNTY CLASSIFICATION SPECIFICATION

Class Title: **BRIDGE SUPERVISOR**

Jurisdictional Class: **Competitive**

Date Adopted:

Date Revised: **July 14, 2000 (Spec. Req.)**

Jurisdictions: **County**

Union Status: **CSEA**

Pay Grade: **13**

DISTINGUISHING FEATURES OF THE CLASS: The work requires participation and supervision in the construction and maintenance of all county bridges and culverts. Supervision is exercised over semi-skilled workers, motor equipment operators and laborers. The work is performed under the general supervision of the County Highway Superintendent. Does related work as required.

EXAMPLES OF WORK: (Illustrative only)

Supervises and participates in the construction and repair of bridges, culverts, and bridge approaches;
Supervises and participates in the construction of wooden forms for concrete work related to bridge maintenance and construction;

Supervises and participates in the pouring of concrete for footings, abutments, decks, etc.;

Supervises and participates in the finishing of concrete;

Reports to and confers with the County Highway Superintendent regarding men and equipment necessary for individual projects;

May supervise and participate in other carpentry activities such as repairing small buildings or sheds or general maintenance work on the interior of buildings;

May, on occasion, assist in snow and ice control and removal;

May be required to operate a small pick-up truck in the transporting of men and equipment between job sites.

REQUIRED KNOWLEDGES, SKILLS AND ABILITIES: Good knowledge of modern bridge construction and maintenance methods and procedures; good knowledge of equipment, materials, tools, terminology, and safety precautions used in bridge construction and maintenance; ability to read and understand sketches, blueprints and related bridge construction and maintenance plans; ability to organize the work of others; ability to solve operating problems as they occur in the field; ability to understand and follow oral and written directions; good physical condition.

ACCEPTABLE TRAINING AND EXPERIENCE: Three years of experience as a skilled tradesman at the journeyman level, at least one of which shall have been in bridge construction and maintenance; or any equivalent combination of experience and training.

NOTE: Part-time employment can be pro-rated to count towards fulltime (Example: six (6) months PT equals three (3) months FT) and a higher level of education can be pro-rated for experience up to a year.

SPECIAL REQUIREMENT: This class requires extensive travel. Incumbents will be required to possess a valid, appropriate level, New York State Motor Vehicle operator's license, or otherwise demonstrate the ability to meet the travel needs of the job.
